

Publications of Dr Dave Aplin

Aplin DM, *in press*. The Living Collection's Policy. BGCI Technical Manual for Botanical Gardens. Botanic Gardens Conservation International (BGCI), London, U.K.

Aplin DM, 2014. An international survey of living collections. BGJournal, Journal of Botanic Gardens Conservation International. Vol. 11 (2) 26-29. Botanic Gardens Conservation International (BGCI), London, U.K.

Aplin DM, 2014. Annual Report of the National Botanic Garden of Belgium, 2013. (21 August, 2014; http://www.br.fgov.be/PUBLIC/GENERAL/ABOUTUS/AR_2013_WEB_ENG.pdf).

Aplin DM, 2013. Assets and liabilities: the need to evaluate living collections. *Sibbaldia, Journal of Botanic Garden Horticulture*, Royal Botanic Garden Edinburgh 11: 87-96.

Aplin DM, 2013. Annual Report of the National Botanic Garden of Belgium, 2012. (22 May, 2014; http://www.br.fgov.be/PUBLIC/GENERAL/ABOUTUS/AR_2012_WEB_ENG.pdf).

Aplin DM, 2012. Annual Report of the National Botanic Garden of Belgium, 2011. (22 May, 2014; http://www.br.fgov.be/PUBLIC/GENERAL/ABOUTUS/Annual_Report_2011.pdf).

Aplin DM, Junikka L, Schulman L & Hyvärinen M, 2011. Living Collection Policy: Safeguarding Science at Kaisaniemi & Kumpula. Finnish Museum of Natural History.

Lehvavirta S, **Aplin DM**, Schulman L, [Eds.] 2009. EuroGard V, Botanic Gardens in the age of climate change. Ulmus, University of Helsinki Press. (22 May, 2014; http://www.botanicgardens.eu/eurogard/EuroGardV_abstracts.pdf).

Wouters J, Van Den Eede J, Leyman V, **Aplin DM** & Ausloos G, 2009. Informing the public, *ex situ* conservation of endangered species. The fifth European Botanic Gardens Congress EuroGard V, Finland. Meeting Paper. (22 May, 2014; <http://www.bgci.org/education/news/0631>)

Aplin DM, Hunt D, & Taylor N, 2009. Prickly Challenges: Conservation or delusion? The fifth European Botanic Gardens Congress EuroGard V, Finland. Meeting Paper.

Aplin DM, 2008. How useful are botanic gardens for conservation? *The Plantsman*, Royal Horticultural Society 7: (3), 190 – 193.

Aplin DM, & Heywood VH, 2008. Do seed lists have a future? *Taxon*; 57: (3): 709-711. (22 May, 2014: <http://www.jstor.org/discover/10.2307/27756702?uid=3738032&uid=2&uid=4&sid=21104201898003>).

Aplin DM, & Stuefer J, 2008. Green Kingdoms: high rise beauty. *Plantlife*; 51: 21.

Aplin DM, 2008. Book Review: Rico-Gray V & Oliveira PS, The Ecology and Evolution of Ant-Plant interactions. *Biological Conservation* 141: (8) 1255-1256.

Aplin DM, 2008. Book Review: Conservation of Plant Diversity in Japanese Botanic Gardens. *Biological Conservation* 141: (7) 1930.

Aplin DM, 2008. Famous *Amorphophalus titanum* 'flowers' twice in Meise! (22 May, 2014; <http://www.bgci.org/resources/news/0547>).

Aplin DM, 2008. Linking research, conservation and education in the contemporary botanic garden. 2nd World Scientific Congress Challenges in Botanical Research and Climate Change. Delft University of technology. Meeting paper.

Rossi G, Parolo G, & **Aplin DM**, 2007. *Ex situ* conservation reaches out to save upwardly-mobile plants from extinction ENSCONEWS, the European Native Seed Conservation Newsletter. (3) pp. 3-4. (22 May, 2014; http://ensconet.maich.gr/PDF/ENSCONET_3th_Annual_Bulletin.pdf).

Aplin DM, 2007. The Value of European Botanic Garden Collections for Conservation and Education. 102 Congresso della Società Botanica Italiana [Meeting Paper]. (22 May, 2014; <http://www.bgci.org/resources/news/0440>).

Aplin DM, Linington S, & Rammeloo J, 2007. *Are indices seminum* really worth the effort? *Sibbaldia*, *Journal of Botanic Garden Horticulture*. Royal Botanic Garden Edinburgh, 5: 93 – 107 (22 May, 2014; <http://www.bgci.org/files/Wuhan/PapersUD/aplin%5B1%5D.pdf>).

Leyman V, & **Aplin DM**, 2007. Saying one thing, doing another: *are you peat-free?* Proceedings of the Third Global Botanic Gardens Congress, 16-20 April 2007, Wuhan, China. BGCI, London, UK. (22 May, 2014; <http://www.bgci.org/files/Wuhan/PapersSustainable/leyman.pdf>).

Rammeloo J, & **Aplin DM**, 2007. Are botanic gardens doing enough for conservation in Europe? Proceedings of the Third Global Botanic Gardens Congress, 16-20 April 2007, Wuhan, China. BGCI, London, UK. (22 May, 2014; <http://www.bgci.org/files/Wuhan/PapersUD/Rammeloo%20&%20Aplin.pdf>).

Aplin DM, Vanderborcht T, Groom Q, Van de Vyver A, Leyman V, 2007. The use of bar-coding beyond the supermarket: the possibilities and challenges for living collections. Proceedings of the Third Global Botanic Gardens Congress, 16-20 April 2007, Wuhan, China. BGCI, London, UK. (22 May, 2014; <http://www.bgci.org/files/Wuhan/PapersConserving/Aplin.pdf>)

Aplin DM, 2007. *Are Indices Seminum* Really Worth the Effort? (22 May, 2014; <http://www.bgci.org/resources/news/0438>).

Aplin DM, Rammeloo J, 2007. Common goals, common future? Integrating *in situ* and *ex situ* conservation. Fifth European Conference on the Conservation of Wild Plants in Europe: Working together for plants. Cluj–Napoca, Romania. Meeting Paper. (22 May, 2014; http://media.wix.com/ugd/c61446_cb2e6d6f91b5c07feb6fc60df58ffb9a.pdf).

Aplin DM, Aguilera A, 2007. Public awareness and capacity building for plant diversity. Integrating *in situ* and *ex situ* conservation. Fifth European Conference on the Conservation of Wild Plants in Europe: Working together for plants. Cluj–Napoca, Romania. Meeting Paper. (22 May, 2014; http://media.wix.com/ugd/c61446_cb2e6d6f91b5c07feb6fc60df58ffb9a.pdf).

Aplin DM, 2006. Are Botanic Gardens Doing Enough for Conservation? (03 June, 2014; <http://www.bgci.org/resources/news/0306>).

Aplin DM, 2006. Meeting the challenges of creating interesting and informative plant displays – on a shoestring. *Sibbaldia*, Journal of Botanic Garden Horticulture. Royal Botanic Garden Edinburgh, 4: 25 – 30.

Aplin DM, 2006. Evaluating the living wealth of botanic gardens: a necessity for maintaining our own ideals. Dave Aplin, National Botanic Garden of Belgium. The Fourth European Botanic Gardens Congress EuroGard IV, Czech Republic. Meeting Paper.

Rammeloo J, Diagre D, **Aplin DM**, Fabri R, 2006. The collections of the National Botanic Garden of Belgium. Proceedings of the third GBif Science Symposium, on Tropical Biodiversity: Science, Data, Conservation. 30 – 43.

Aplin DM, 2006. Book Review: Richard Primack & Richard Corlett, Tropical Rain Forests, an ecological and biogeographical comparison. *Biological Conservation*, 132: (3) 405.

Ayres RL, Gange AC, & **Aplin DM**, 2006. Interactions between arbuscular mycorrhizal fungi and intraspecific competition affect size, and size inequality, of *Plantago lanceolata* L. *Journal of Ecology*, 94: 285 – 294. (22 May, 2014; <http://onlinelibrary.wiley.com/doi/10.1111/j.1365-2745.2006.01103.x/full>).

Aplin DM, 2006. Me and my job. *Horticultural Week*, 25th May: 56.

Aplin DM, 2005. “Kiss of Life” saves extinct grass: Belgian endemic back for birthday celebrations. *ENSCONEWS*, the European Native Seed Conservation Newsletter. 1: 4. (22 May, 2014; http://ensconet.maich.gr/PDF/ENSCONET_1st_Annual_Bulletin.pdf).

Aplin DM, 2005. Belgian endemic back for birthday celebrations. *Plant Talk*, 42: 16.

Aplin DM, 2005. Raising the dead. *Science*, 310: 773.

Gange A, Brown V, **Aplin DM**, 2005. Ecological Specificity of Arbuscular Mycorrhizae: Evidence from Foliar- and Seed-Feeding Insects. *Ecology*, 86: (3), 603-611. (22 May, 2014; <http://www.esajournals.org/doi/abs/10.1890/04-0967>).

Aplin DM, 2005. Book Review: Wilfred Beckerman, *A Poverty of Reason – Sustainable Development and Economic Growth*, Published by the Independent Institute Oakland, California, 2004, ISBN 0-945999-85-2. *Biological Conservation*, 126: (1): 130-131.

Gange A, Brown V, **Aplin DM**, 2003. Multitrophic links between arbuscular mycorrhizal fungi and insect parasitoids. *Ecology Letters*, 6: (12) 1051-1055.

Aplin DM, 2003. Book Review: John Tuxill and Garry Paul Nabhan. *People Plants and Protected Areas: A Guide to In Situ Management*: Earthscan Publications Ltd, London. 2001. ISBN 1 85383 782 2 (pbk). *Biological Conservation*, 114: (2) 305.

Aplin DM, (2002) Book Review: J.P. Grime. Plant Strategies, Vegetation Processes, and Ecosystem Properties: (2nd Edition). Wiley, 2001. ISBN 0-471-49601-4 (hbk). Biological Conservation, 107, (2) pp. 417.

Aplin DM, 2001. Book Review: M. Coe, H. McWilliam, G. Stone, M. Parker (Eds.) The Ecology, Biodiversity and Conservation of a Tanzanian Savannah: Mkomazi: The Royal Geographical Society, London, 1999. ISBN 0 90764 975 0 (pbk), Biological Conservation, 101: (2) 259-261.

Aplin DM, 2001. The effects of temporal heterogeneity in nutrient supply on four grassland species. DPhil. Thesis, University of Sussex, Brighton, UK.

Gange AC, Bower E, Stagg P, **Aplin DM**, Gillam A & Bracken M, 1999. A comparison of visualisation techniques for recording arbuscular mycorrhizal colonisation. New Phytologist, 142: 123 -132. (22 May, 2014; <http://onlinelibrary.wiley.com/doi/10.1046/j.1469-8137.1999.00371.x/pdf>).

Aplin DM, 1998. A Botanical Survey of Ader's Duiker's (*Cephalophus adersi*) Food Plants for its Proposed Reintroduction on Chumbe Island Nature Reserve, Zanzibar, East Africa. Scientific Report for the Government of Zanzibar. Funded by World Wide Fund for Nature.

Magazine and Partwork Publications

Aplin DM, 2010. Planting for bees, Wildlife of Britain, Midsummer Group, part 137: 3298 – 3301.

Aplin DM, (2006). Jardin Botanique de Kisantu's Prickly Gift. Machoehel, the magazine of the National Botanic Garden of Belgium. 3: 3.

Aplin DM, 2005. Top seeds. The Bulletin, Ackroyd Publications, Brussels, Belgium. 2: 34-35.

Aplin DM, 2005. Keeping it green. The Bulletin, Ackroyd Publications, Brussels, Belgium. 10: 53-54.

Aplin DM, 2005. Budding balconies. The Bulletin, Ackroyd Publications, Brussels, Belgium. 16: 65.

Aplin DM, 2005. Dive Dahlias. The Bulletin, Ackroyd Publications, Brussels, Belgium. 17: 53.

Aplin DM, 2005. Jolly Green Giant. The Bulletin, Ackroyd Publications, Brussels, Belgium. 18: 54.

Aplin DM, 2005. Slime movers. The Bulletin, Ackroyd Publications, Brussels, Belgium. 19: 42.

Aplin DM, 2005. Summer harvest. The Bulletin, Ackroyd Publications, Brussels, Belgium. 20: 33.

Aplin DM, 2005. If you go down to the woods today. The Bulletin, Ackroyd Publications, Brussels, Belgium. 22: 33.

Aplin DM, 2005. Liquid assets. The Bulletin, Ackroyd Publications, Brussels, Belgium. 24: 42.

Aplin DM, 2005. From tiny seeds. The Bulletin, Ackroyd Publications, Brussels, Belgium. 41: 46-47.

Aplin DM, 2000. Hedging plants, Wildlife of Britain, Midsummer Books. 129: 3104 – 3107.

- Aplin DM**, 2000. Clubmosses and horsetails, *Wildlife of Britain*, Midsummer Books. 128: 3082 – 3086.
- Aplin DM**, 2000. Butterfly bush, *Wildlife of Britain*, Midsummer Group, part 121: 2914 – 2915.
- Aplin DM**, 2000. Trees in your garden, *Wildlife of Britain*, Midsummer Group, part 108: 2602 – 2603.
- Aplin DM**, 2000. Thrice pinnate ferns, *Wildlife of Britain*, Midsummer Group, part 105: 2532 – 2536.
- Aplin DM**, 1999. Autumn wildflowers, *Wildlife of Britain*, Midsummer Group, part 90: 2170 – 2171.
- Aplin DM**, 1999. Twice pinnate ferns, *Wildlife of Britain*, Midsummer Group, part 82: 1980 – 1984.
- Aplin DM**, 1999. Summer wildflower garden, *Wildlife of Britain*, Midsummer Group, part 80: 1926 – 1929.
- Aplin DM**, 1999. Verdant ferns, *Wildlife of Britain*, Midsummer Group, part 73: 1764 – 1768.
- Aplin DM**, 1999. Spring wild flower garden, *Wildlife of Britain*, Midsummer Group, part 62: 1496 – 1499.
- Aplin DM** 1999. Exotic garden plants, *Wildlife of Britain*, Midsummer Group, part 55: 1330 – 1333.
- Aplin DM** 1999. Parasitic plants, *Wildlife of Britain*, Midsummer Group, part 52: 1260 – 1264.
- Aplin DM**, 1999. Winter flowers, *Wildlife of Britain*, Midsummer Group, part 50: 1210 – 1211.
- Aplin DM**, 1998. Wild garden fruits, *Wildlife of Britain*, Midsummer Group, part 40: 970 – 971.
- Aplin DM**, 1998. Plants that bite back, *Wildlife of Britain*, Midsummer Group, part 38: 926 – 928.
- Aplin DM**, 1998. Nature's vegetable garden, *Wildlife of Britain*, Midsummer Group, part 874 – 875.
- Aplin DM**, 1998. Nature's herb garden, *Wildlife of Britain*, Midsummer Group, part 23: 562 – 563.
- Aplin DM**, 1994. Fimbriated-type Dahlias, *the National Dahlia Society Annual*, 42 – 44.
- Aplin DM**, 1992. South African Sojourn, *the National Dahlia Society Annual*, 32 – 34.
